

Lighting fixture

Enzo

The BERGMEN Enzo LED luminaire is a modern track lighting solution, ideal for offices, retail spaces, and commercial environments. Equipped with BRIDGELUX COB LEDs, it provides bright, natural light (4000K) with high energy efficiency. Available in 20W and 30W versions, and in white or black finishes, it can be easily matched to any interior. Additionally, interchangeable reflectors are available, allowing the beam angle to be adjusted from 45° to 60° or 25°. The range also includes Enzo models without a light source, featuring a GU10 socket and a 60° beam angle.

LED: **BRIDGELUX-COB** • Power supply: **EAGLERISE**

CRI 90 | Lifespan: **≥ 50 000 h** | Warranty: **5 years**

Technical specifications

Model	Product code	LED type	Voltage	Power	Beam angle	Colour temp.	Luminous flux	Fixture colour	Dimensions (mm)
Enzo	01-005-083-20-04-02	COB-BRIDGELUX	220-240 V AC	20 W	45°	4000 K	2400 lm	white	60 x 111 mm
Enzo	01-005-083-20-04-03	COB-BRIDGELUX	220-240 V AC	20 W	45°	4000 K	2400 lm	black	60 x 111 mm
Enzo	01-005-083-30-04-02	COB-BRIDGELUX	220-240 V AC	30 W	45°	4000 K	3450 lm	white	70 x 156 mm
Enzo	01-005-083-30-04-03	COB-BRIDGELUX	220-240 V AC	30 W	45°	4000 K	3450 lm	black	70 x 156 mm
