

Lighting fixture

Enzo GU10

Enzo GU10 is a modern lighting fixture designed for indoor use, available in white or black, making it suitable for both commercial and residential spaces. Compatible with GU10 bulbs (max 50W), it allows flexible light selection, while the 60° adjustable angle enables precise light direction. Its compact dimensions (60 × 118 × 168 mm) and lightweight design (0.16 kg) ensure easy installation, and a 5-year warranty confirms its durability.

Technical specifications

Warranty: **5 years**
